About us...

Mehta group of companies is an expert organization, managing in distinctive sorts of Natural and Chemical items. The organization was set up in 2006, and from that point forward we have increased persistent accomplishment to end up a prestigious name in the bio manure industry. Through thorough innovative work, the organization is accompanying most recent definitions and creations of natural manures for plant development and improvement. These manures are experimentally detailed for current aggressive business sector.

Mehta Overseas India utilizes gifted and responsive workforce, who are dependable and responsible for their occupation profile. Proficient showcasing experts advance our image and address all the item related questions of our clients.

Mehta Overseas India is one of the main producer and advertisers of Agriculture Products like Micro Nutrients, Bio-Organic Manure, Bio-Fertilizers, Bio-Pesticides, Bio-Activators and Bio Culture Products in Division of Mehta Bio-Tech. from Ahmedabad, Gujarat, INDIA.

The company has also been engaged in production of variety of fragrances, perfumes and food flavors catering to numerous industries.

Our products are of relevance in incense sticks, tobacco, pan masala and Smoke Fragrance, soaps, detergents and cosmetic industry. Long term dedicated services to our clients has helped us to win customer trust and has also expanded our client base to countries like Switzerland, Saudis and France.

Drawing our resources from nature we constantly experiment with new fragrances and perfumes to give our customers unique and soothing aromas.
